Print Resources:

This collection of letters, edited by a true Shelley scholar, give the reader a truer picture of the life of Wollstonecraft Shelley from 1814, right after her elopement with Percy Bysshe Shelley through September, 1850, just before her death.

Video Resources

*Mary Wollstonecraft Shelley: Frankenstein, the Making of the Monster*. Films for the Humanities.

The short video is an excellent introduction to the world of Mary Wollstonecraft Shelley beginning with her parents' lives and moving through her life events, focusing primarily on the creation of her novel, *Frankenstein*, and it's immediate impact on her world and the publishing world of the mid-1800's.
